"Leading Highly Engaged Remote Teams" is a digital program designed to strengthen the quality of engagement, productivity, collaboration and communication between leaders, staff, and teams while working remotely.

Courses are available in modular 2 to 3-hour digital workshops, plus two 90-minute peer coaching sessions, with (homework) application opportunities between sessions to integrate workshop and real world challenges. These sessions could be offered weekly over the course of a month or spread out to bi-weekly or monthly. Peer coaching sessions are offered both at the midpoint and at the close of the program.
